REPORT ON HOSPITAL VISIT

NAME : AMITA SUHAS BHALEKAR

DATE : 05/02/2020

CLASS : FIRST YEAR BPHARM

ROLL NO. : 02

DIV : A

VENUE : COTTAGE HOSPITAL

A visit to Cottage Hospital Sawantwadi was arranged for the students of 2nd Semester B.Pharm of Yashwantrao Bhonsale College Of Pharmacy on 5th February, 2020. A batch of 40 students along with faculty member had visited the hospital.

The visit started at 1:30 pm from College. We boarded the college bus to reach the Cottage Hospital. A visit to the different departments of the hospital like operation theaters, pathology lab, blood testing lab, pharmacy store, ambulance etc was arranged. A detailed information was given during visit except pathology lab. In pharmacy store, we got to see various types of medicines and their special precautions for storage.

Overall, the visit was informative and enjoyable. We came to know regarding the role of Hospital Pharmacist in the overall health management.

“HOSPITAL VISIT”

Hospital visit was arranged by Yashwantrao Bhonsale College of pharmacy, Sawantwadi, for First year B.Pharmacy students on 05th & 06th February 2020 at Sub District Hospital, Sawantwadi. Students visited government Sub District Hospital in presence of Asst. Professors Mr. Vinod Mule, Ms. Priyanka Malbari and Ms.Aishwarya Parab Yashwantrao Bhonsale College of pharmacy. Students should know more about various departments and processes involved in various departments of hospital.

During hospital visit , Students were exposed to various departments in hospital with proper guidance by Dr. Tabbasum Mujawar, BAMS, Mrs. A. C. D’ Souza Staff nurse and Mr. Nitin Saudagar- Lab Technician. Hospital is sectioned into IPD, OPD, ICU, pathology laboratory, Trauma section, Male and Female Section, Maternity home, Operation Theater, Dialysis Room, Blood bank and Hospital Pharmacy. In clinical pathology department, students understand the concept of withdrawal of blood and procedure of preparation of plasma and serum. Students also understand the concept of injecting drugs and various routes of parenteral administration of drugs.

Students were fully satisfied with the visit. They understood well about different departments of hospital, documentation records in hospital, clinical lab, pharmacy and functions of all the departments. This visit was found helpful to students.

REPORT ON HOSPITAL VISIT

Name:Afiya Baig

Date:08/02/2019

Class: F.Y.B Pharm

Roll no:2

We reached to the cottage hospital of sawantwadi for hospital visit at around 2:00pm. Kavita chavan mam and prajakta mhaskr mam were there with us and guided us around different departments and they also solved our queries about different areas in hospital. It was an amazing experience to get involve in hospital environment.

In cottage hospital we were introduced to many departments. There were various departments like X-ray dept,I.C.T.C,blood collection dept,drug store department etc.

We were introduced to the drug store which is used for storage of various drugs. There we have seen various stored drugs like paracetamol tablets , cetirizine tablet and Ascorbic acid tablet,Iron and Folic acid Tablet ,Ofloxacin Tablet,Snake antivenum etc.Those drugs were stored in proper arrangement which helps in easy identification of drugs.

Then we were introduced to I.C.T.C department I.C.T.C means integrating counselling and testing center .in this center we got information about ART(Anti retrial Therapy).This Therapy is given for HIV patient .This therapy cannot be stopped if started ,it last for life time .Doctor explained us about different causes of HIV as well as its treatment .He solved all our queries about this disease.Also we got to know about Nergine syrup which is given after the birth of newborn child for protection from HIV.

At last we were taken in the blood bank we got idea about blood collection process. The validity of stored blood is just 35 days from the day of blood donation . we got a chance to see the bags used for collection of blood . They collect about 350ml of blood. Various tests are performed before the donation of blood . these test include test for HIV test, test for malaria, Hepatitis etc

At 4:30 we came back to the college. These hospital visit helped us to increase our knowledge regarding hospital.

“HOSPITAL STUDY VISIT

Yashwantrao Bhonsale College of Pharmacy organised hospital visit especially for F. Y. B. Pharm students at Cottage Hospital, Sawantwadi on 8th & 9th February, 2019. Students visited various departments in the hospital like x-ray department, laboratory, I.C.T.C. (Integrated Counselling & Testing Centre), blood bank, operation theatre, medicine store and O.P.D. (Out-patient Department) and gained a lot of knowledge about the hospital and its departments.

The hospital visit study was successfully completed due to the cooperation of the medical superintendent Dr. U. B. Patil who granted permission for the students to visit the hospital, also due to S. V. Naik (x-ray department incharge), N. V. Saudagar (laboratory incharge), Vishwanath Kamble (I.C.T.C. incharge), Dayanand Upase, D. D. Ranade (operation theatre incharge), Prakash Aambitkar (O. P. D. incharge) who shared their knowledge and guided the students.

The hospital visit was made successful by Assistant Professors Ms. Kavita S. Chavan (Pharmaceutics Department), Ms. Prajakta S. Mhaskar (Pharmaceutical Chemistry Department) and Ms. Namita G. Narvekar (Quality Assurance Department). Yashwantrao Bhonsale College of Pharmacy, Sawantwadi really feels proud to be associated with Cottage hospital to arrange the hospital visit successfully.

A REPORT ON

“PATHOLOGICAL LAB VISIT”

20.03.2019

Yashwantrao Bhonsale College of Pharmacy, Sawantwadi – 416 510, Maharashtra

Yashwantrao Bhonsale College of pharmacy, S. Y. B. Pharmacy Division: A students were visited “**Pathological lab of Cottage hospital**” situated at Sawantwadi on 20th March 2019. The prior permission for visit was obtained from Dr. U. B. Patil sir. Total 52 students were visited under the guidance of Ms. Shweta Shirodkar Assistant Prof. Dept of Pharmaceutics.

The main objective of this visit was to provide students an insight of the practical applications of what they are learning in theory and an opportunity to learn practically through interaction and working methods. The visit was made with the purpose to explore the students with the different diagnostic tools used in pathological testing.

All students were gathered at college on 20th March 2019 at 2:00 pm. After taking attendance, S.Y. B.Pharmacy, Division: A students along with accompanying teacher left the campus at 02:15 pm by college buses .The destination place was reached at 02:30 pm.

Students were divided in batches of 15 for convenience to visit the pathological lab. Different basic branches of Pathology were explored to students. Also different diagnostic tools and diagnostic reagents like autoanalyzer, centrifuge machine, ESR machine, cell counter, micropipette & pathological microscope were well explored to students along with demonstration. Pathological crosschecking parameters with respect to different pathological conditions were briefed to the students. Importance of different disinfection procedures with examples during every stage of pathological screening was elaborated to the students. Students have been introduced with the different queries regarding diagnostic techniques.

It was an informative and interactive forum for exchange of new knowledge.
