About The Programme:

First year BAMS students of Bhaisaheb Sawant Ayurved Mahavidyalaya, Sawantwadi visited Different departments of Yashwantrao Bhonsale College of Pharmacy, Sawantwadi as part of their curriculum. During visit students gain information about pharmacy & its formulations. Total 48 students visited the institute.

48 first-year BAMS students from Bhaisaheb Sawant Ayurved Mahavidyalaya, Sawantwadi, visited the Yashwantrao Bhonsale College of Pharmacy, Sawantwadi. This educational visit aimed to provide the students with valuable insights into the field of pharmacy, particularly focusing on various formulations and the processes involved in creating them.

Department Visits: The students toured different departments within the college, where they observed and learned about various aspects of pharmaceutical science.

Interactive Sessions: Experts from the college engaged with the students, offering detailed explanations and answering questions regarding pharmacy practices and formulation techniques.

The visit was a significant educational experience, contributing to the students' knowledge and appreciation of the field of pharmacy.
