

A report on  
13<sup>th</sup> Inter-collegiate/Institute/DEPARTMENT  
“**Avishkar-Research Convention-2018-19**”

Organized by  
Department of Student’s Development  
University of Mumbai

The logo for Avishkar shows two dark blue silhouettes of people sitting at a table, shaking hands. The table is a simple blue rectangle. The background is a light grey gradient.

**AVISHKAR**

**Avishkar the Competition**

Avishkar is a research convention organized by every University in Maharashtra from 2007-2008, keeping in mind the changing frontiers in field of organization. Every year in month of December University of Mumbai conducts selection round for the students from various colleges, departments and streams. Selected students then participate in state level competition. The basic motto of Avishkar is to motivate stake holders of the education to move from basic knowledge based education to research based education.

This year three of the students from Third year B.Pharmacy participated in Avishkar. Ms. Preetam Palkar ,Ms.Akshata Thakur and Ms.Prajakta Kashalikar prepared a poster on topic, “**A novel approach to minimize side effects observed in oral formulations of Sennosides.**” in Medicine and Pharmacy category and UG level and it was presented by Ms. Preetam Palkar at the Selection round of 13<sup>th</sup> Inter Collegiate/Institute/Department Avishkar Research Convention: 2018-19 held at **Dr.Bhanuben Nanavati College of Pharmacy, Vile-Parle (W), Mumbai** on December 15,2018 for all pharmacy colleges of all district zone. They received participatory certificate on presenting the poster at the event.
