

18th February, 2019

“ one day workshop as "Industries Meet" in collaboration with BOAT/BOPT at College of Engineering, Pune to introduce the internship portal developed by AICTE.”

Internships are educational and career development opportunities, providing practical experience in a field or discipline. They are structured, short-term, supervised placements often focused around particular tasks or projects with defined timescales. An internship may be compensated, non-compensated or some time may be paid. The internship has to be meaningful and mutually beneficial to the intern and the organization. It is important that the objectives and the activities of the internship program are clearly defined and understood.

AICTE has developed Internship portal for Technical Institutions, Industries and students. In this regards competent Authority had organized one day workshop as "**Industries Meet**" on 18th February, 2019 in collaboration with BOAT/BOPT at College of Engineering, Pune to introduce the internship portal developed by AICTE. In this connection, Industry partner, faculties and students to registered at AICTE Internship portal on the day of workshop. This registration will enable them for posting internships opportunities at the portal. Our TPO, Mr. Sanket Gandhi attended this one day workshop very enthusiastically & successfully.
