**“Installation and Demonstration of Shimadzu Make
New UV – 1900 Machine”**

On the occasion of Guru Pournima YBCP has installed their New Shimadzu make "UV-1900" machine in Instrumentation room which is equipped with an ultra-fast scan function that enables data acquisition at the fastest level in the Lab. This instrument is capable of high-accuracy quantitative analysis and the detection of low-concentration components.

Inauguration was done by Hon. Executive Chairman Shri. Achyut Sawantbhonsale and Hon. Admn. Coordinator Ms. Sunetra Phatak along with and Principal Dr. Vijay Jagtap, Lab Incharge Asst. Prof. Ms. Gauri Bhivshetalong and students. Demonstration was conducted by Final Year B. Pharm student Mr. Durgesh Bidye.
