

7th January 2020

“GUEST LECTURE ON FOLDSCOPE AND ITS APPLICATIONS”

A one day guest lecture was organized on “FOLDSCOPE AND ITS APPLICATIONS” on 7th January 2020 at Yashwantrao Bhonsale College of pharmacy for the students of B. Pharmacy. The lecture was conducted by Mr. Pritam Juvatkar, Assistant Professor, Department of Pharmacognosy and Phytochemistry, Konkan Gyanpeeth Rahul Dharkar College of Pharmacy Research Institute, Karjat. The lecture was addressed in presence of Hon. Principal, Yashwantrao Bhonsale College of pharmacy Dr. Vijay Jagtap, and teaching staff of Third Year and Second Year B. Pharmacy. The audience included students of Third Year and Second Year B. Pharmacy.

This lecture was definitely an attempt to make the students aware about the recent research in the field of Pharmacy. Also this would serve in having a positive influence on students for future in Research and development.
