PROGRAM INTRODUCTION:

Clinical research is a branch of healthcare science that determines the safety and effectiveness of medications, devices, diagnostic products and treatment regimens intended for human use. These may be used for prevention, treatment, diagnosis or for relieving symptoms of a disease. To know the importance of clinical research and its technicalities, Savant Club of Yashwantrao Bhonsale College of Pharmacy, Sawantwadi has organized an online webinar on "**Importance of Most Booming Clinical Research and Pharmacovigilance Profession**" by expert speaker **Mr. Vishal Chaudhari, Head of Operations, Clini India, Pune** on **11th July 2022 at 2 PM.** to the students of B. Pharm of our college. (Link: <https://event.webinarjam.com/t/click/6kv33sk1a3rya9qpt759wh0352s137co>)

PROGRAM OBJECTIVES:

1. To know the basics of clinical research and pharmacovigilance
2. To aware and enrich the new career opportunities in pharmacovigilance, clinical research and medical writing

ABOUT THE PROGRAM:

Like all other events, to make this event even a blessed one, a virtual lamp lightning ceremony was conducted. The floral welcome of the guest speaker **Mr. Vishal Chaudhari** was done by Dr. Prashant Y. Mali.

Later the program was put forward to Dr. Rohan K. Barse who gave a brief introduction of **Mr. Vishal Chaudhari** and requested him to start the informative session. **Mr. Vishal Chaudhari** shared all his knowledge and experience to make aware to participants on basics of new career opportunities in pharmacovigilance, clinical research and medical writing. The event was concluded by giving a Vote of Thanks by Dr. Rohan Barse, Spandan Club, Coordinator.
