

KALEIDOSCOPE

Heartiest Congratulations to Ms. Mayuri Gawade, Final year B. Pharmacy student for participating in a 3-day-event that included the launch of the WEnyan Program at the BASF Head Office in Mumbai and Industry visit from 15th January to 17th January 2024. The selected students visited BASF company (world's largest chemical company), Serum Institute of India (ranked as India's No. 1 biotechnology company and the world's fifth largest vaccine manufacturer) and National Chemical Laboratories (Indian government laboratory).

Ms. Mayuri Gawade is currently carrying out her research work for WEnyan scholarship under the guidance of Dr. Vijay A. Jagtap & Dr. Gaurav Gopal Naik.
