PROGRAM INTRODUCTION:

A new discipline called Network Pharmacology (NP) has emerged which attempts to understand drug actions and interactions with multiple targets. It uses computational power to systematically catalogue the molecular interactions of a drug molecule in a living cell. NP appeared as an important tool in understanding the underlying complex relationships between botanical formula and the whole body. To know the latest updates of Network Pharmacology and its role in Drug discovery, SAVANT Club of Yashwantrao Bhonsale College of Pharmacy, Sawantwadi has organized an Expert Webinar on " **The next paradigm in Drug discovery: Network Pharmacology** " by an expert resource person **Dr. Singh Shreya Hariawadhsingh, Associate Professor, SBS College of Pharmacy, Fatehpur, on Monday, 30th October 2023, 2:15 PM onwards for Third Year B. Pharm & M. Pharm Students of our college.**

PROGRAM OBJECTIVES:

- 1. To be aware of Drug discovery and its career prospects**
- 2. To know the future scope of Network Pharmacology across the globe**

ABOUT THE PROGRAM:

Like all other events, to make this event a blessed one, a virtual lamp lightning ceremony was conducted. The welcome address was given by Hon'ble Dr. Vijay A. Jagtap. Later the program was put forward to Dr. Gaurav Gopal Naik who gave a brief introduction of Guest Speaker and requested her to start the session. Dr. Shreya Singh elaborated on Network Pharmacology and various tools that are required in Drug discovery. The anchoring was done by third year B.Pharm students Mr. Omkar Yelonde and Ms. Simran Sayyed. The event was concluded by giving a vote of thanks by Dr. Rohan K. Barse. The technical help was done by Mr. Tushar Rukari.
