## **STUDENT COUNCIL COMMITTEE**

**(2016 – 17)**

1. Student council is the HEART of student involvement.
2. It's the most representative and powerful student organization because it works for all students.
3. A good student council has student respect and support by opening its doors to all interested students, and by being aware of student needs and opinions.
4. Cooperation is the key to getting things done. The council shouldn't be a rubber stamp for any group, but it should work with others to solve problems.
5. Training and relevance are vital to the success of any student council.
6. Your council can lead the way to positive change. Its activities and projects are the testing ground for ideas, which become part of the college.
