A REPORT ON

“PATHOLOGICAL LAB VISIT”

ARYA PATHOLOGICAL LAB, BANDA

13. 03. 2019

Yashwantrao Bhonsale College of Pharmacy, Sawantwadi – 416 510, Maharashtra
State

Yashwantrao Bhonsale College of pharmacy, S.Y.B.Pharmacy Div B students visited “**Arya pathological lab**” situated at Banda on Tuesday , 19th March 2019. The prior permission for visit was obtained from Mrs .Santoshi Dhuri Kolambkar(B.M.L.T) owner of Arya Pathological Lab ,Banda. Total 50 students under guidance of Ms.Rashmi Mahabal Assist Prof. Dept of Pharm. Chemistry and Mr. Utkarsh Nagvekar Assist Prof. Dept of Pharm. Chemistry .

The visit was made with the purpose to explore the students with the different diagnostic tools used in pathological testing.

All students were asked to gathered at college campus on 19th March 2019at 9.45 am. After taking attendance, S.Y. B.Pharmacy students along with accompanying teachers left the campus at 10.00 am by college buses .The destination place Banda was reached at 10.30 pm.

Students were divided in batches of 20 for convenience to visit the pathological lab. Different basic branches of Pathology were explored to students. Also different diagnostic tools and automated machineries like autoanalyzer, centrifuge machine, cell counter & pathological microscope were well explored to students along with demonstration. Pathological crosschecking parameters with r

aspect to different pathological conditions were briefed to the students. Importance of different disinfection procedures with examples during every stage of pathological screening was elaborated to the students.

Different diagnostic kits available for quick and examination of diseases like dengue, malaria. Typhoid were also shown to students. Students have been introduced with the different queries regarding diagnostic techniques. Also as being health care professional Mrs. Santoshi Kolambkar shared some practical cases with the students so that actual facts regarding diseases and disorder will be understood by students.

The visit was concluded by thanking Mrs ,Santoshi Kolambkar Pathological lab technician for her cooperation and thorough explanation.
