

23rd JANUARY 2019

“HOSPITAL VISIT”

YASHWANTRAO BHONSALE COLLEGE OF PHARMACY, SAWANTWADI.

Hospital visit has arranged in Yashwantrao Bhonsale College of pharmacy, Sawantwadi, for first year diploma pharmacy students on 23rd January, 2019 at Sub District Hospital, Sawantwadi. Students visited government Sub District Hospital in presence of Mr. Sathe Sir, HOD, Yashwantrao Bhonsale College of pharmacy (Integrated D. Pharmacy), Ms. Yeram Madam, Lecturer and Mrs. Sawant madam, Lecturer, Yashwantrao Bhonsale College of pharmacy, (Integrated D. Pharmacy).

Hospital visit is a part of experimental studies (Biochemistry and Clinical Pathology) in academic to know the various departments and processes involved in various departments of hospital from practical point of view. The main objective of visit is that Students can collect actual information required for their experiment during the visit.

In Sub District Hospital, Students received knowledge about different departments of hospital. It includes ICU, pathology laboratory, Trauma section, Male and Female Section, Delivery Room, Operation Theater, Dialysis Room and Hospital Pharmacy. In clinical pathology department, students understand the concept of withdrawal of blood and procedure of preparation of plasma and serum. Students also understand the concept of injecting drugs and various routes of parenteral administration of drugs.

Students were fully satisfied with the visit. They well understood about different departments of hospital, documentation records in hospital, clinical lab, pharmacy and functions of all the departments. This visit will be helpful to students for hospital visit report submission and it is the achievement of the day.

Mr. Satyajit P. Sathe
