

23rd NOVEMBER 2018

INDUSTRY VISIT 2018

Industry visit has arranged in Yashwantrao Bhonsale College of pharmacy, Sawantwadi, for first year diploma pharmacy students on 23rd November at Kolhapur. Students visited S. G. Phyto pharma Pvt. Ltd. and Patco Healthcare Pvt. Ltd., Gokul Shirgaon, Kolhapur in presence of Mr. Sathe sir, HOD, Yashwantrao Bhonsale College of pharmacy (Integrated D.Pharmacy), Ms. Yeram madam, Lecturer, Yashwantrao Bhonsale College of pharmacy and Mrs. Sawant madam, Lecturer, Yashwantrao Bhonsale College of pharmacy.

Industry visit is a part of experimental studies in academic to know the various working processes of drug manufacturing at Industry from practical point of view. The main objective of visit is that Students can collect actual information required for their experiment during the visit.

In S. G. Phyto pharma Pvt Ltd, Students received knowledgge about Ayurvedic formulations. During the visit the staff members Mrs.Deshpande madam and Mr.Mahajan Sir from the wing B-53, guided our students and introduced the various departments like raw material storage section, Kadha section, finished products section, Quarantine section, Quality control along with their functions, preparation of polyherbal formulations and their standardization process as per the Ayurvedic IP official book. Mrs. Patil madam, Quality Control department and Mr.Dhamange sir, production supervisor from the wing D-21 have explained processes involved during formulations of liniments and capsules and for various questions related with industry. In Patco Healthcare Pvt. Ltd., students experienced the actual processes involved in preparation of pharmaceutical formulation. During the visit the Mr. Sanam Mulla Sir, Senior chemist, guided our students about the various departments like raw material storage, finished products storage, Quarantine area, Production of tablet, capsules and liquid dosage forms as well as Quality control along with their functions.

Students were fully satisfied with the visit. They well understood about industrial GMP, industrial departments and their functions. This visit will be helpful to students for industrial visit report submission and it is the achievement of the day.
