

KALEIDOSCOPE

28th February 2019
National Science Day Celebration

ORGANIZED BY
YASHWANTRAO BHONSALE INTERNATIONAL SCHOOL

IN COLLABORATION WITH

NSS CELL,
YASHWANTRAO BHONSALE COLLEGE OF PHARMACY

National Science Day is celebrated in India on 28th February each year to mark the discovery of the Raman Effect by Indian Physicist Sir C V Raman on 28th February 1928. The celebration also includes public speeches, radio-TV talk shows, science movies, science exhibitions based on themes and concepts, watching the night sky, live projects, research demonstration, debates, quiz competitions, lectures, science model exhibitions and many more activities.

So as a part of the program, Yashwantrao Bhonsale International School invited NSS cell of Yashwantrao Bhonsale College of Pharmacy to give a lecture on the basics of Pharmacy field and role of pharmacist towards society.

Students of Final year B.Pharmacy, Ms. Shriya Kudapkar and Mr. Durgesh Bidye elaborated on the basic knowledge of Pharmacy field and role of Pharmacist towards community. NSS Coordinator Prof. T.L.Patwardhan conveyed true meaning of Pharmacy in simple language to the students. Principal of International school extended vote of thanks to the delegates and program concluded with national anthem.
