It's a privilege to be a mother. Motherhood is the greatest blessing in any woman's life and it is a symbol of love, kindness and forgiveness. A mother's heart is filled with a never-exhausting love for her children. She lives and dies for them. A mother is the most beautiful woman in the child's eyes. Only a mother knows how it feels to be a mother. Being a mother is tough. Motherhood is always filled with joys and challenges, ups and downs, smiles and tears.

Hence in Yashwantrao Bhonsle College of Pharmacy, Mother’s day was celebrated on 10th May 2020, through online mode by organising a quiz- “Nari Shakti Quiz” through google form link given below by NSS and CWDC of YBCP to salute all mothers whose efforts are taken for granted. In this event 7 different ways to celebrate Mother’s Day at home in COVID -19 pandemic situation was highlighted, also a song on mother’s theme was dedicated to all wonderful mothers .
