Chairman's Message

Mr. Achyut Sawantbhonsale
Hon. Executive Chairman

The YBCP Newsletter will definitely help to showcase the activities that are happening in the campus. It also helps in building up teamwork which is very much needed today in the world of competition. It provides a platform for exposing the merits and academic achievements. This would definitely create an impact in the minds of readers, by way of providing larger visibility and dimension to the campus. I hope that this culture of releasing Newsletter continues forever and becomes a quoted example for all other colleges to follow.

YBCP is one of the new Pharmacy colleges in Sindhudurg Maharashtra, has been progressing at an exponential rate since its inception in 2015. Many notable achievements have been recorded since then. Activities published that too not all-in the newsletter are sufficient to prove my claim that YBCP is progressing at an exponential rate. All credits and thanks go to the dedicated staff and their team work. Signing of with a quotation "If you want to go fast, walk alone, If you want to go far, walk together."
