Introduction:

World Cancer Day, organized by the Union for International Cancer Control (UICC) and celebrated each year on 4 February, is an opportunity to rally the international community to end the injustice of preventable suffering from cancer.

This World Cancer Day, we recognize that our commitment to act will lead to powerful progress in reducing the global impact of cancer. So, this 4 February whoever you are, your actions - big and small - will make lasting, positive change. We need your commitment to create a cancer-free world.

2021 – the ultimate year of the ‘I Am and I Will’ campaign – shows us that our actions have an impact on everyone around us, within our neighbour-hoods, communities and cities. And that more than ever, our actions are also being felt across borders and oceans. This year is a reminder of the enduring power of cooperation and collective action. When we choose to come together, we can achieve what we all wish for: a healthier, brighter world without cancer. Together, all of our actions matter.

Objectives :

1. To develop the patient counseling skill in students.
2. To aware the nearby local public and students about the Cancer and its causes, control and prevention.
3. To promote the importance of taking coordinated and concerted actions to confront Cancer as a critical global health issue.
4. To develop awareness among students and ultimately in society about smoking and alcoholism hazards.

About the program :

Virtual live webinar has been organised by Yashwantrao Bhonsale College of pharmacy, Sawantwadi in collaboration with Rotary club, Sawantwadi for the students of Yashwantrao Bhonsale College of pharmacy (B. Pharmacy and Diploma Pharmacy) in the presence of Hon. Dr. Vijay A. Jagtap sir, Principal of Yashwantrao Bhonsale College of pharmacy on the occasion of ‘World Cancer Day’ dated 4th February 2021 at 03.30 pm – 04.30 pm. The speaker for the webinar was Dr. Rajesh Navangul M.D (OBST & GYN), Yashraj Hospital & Maternity Home, President of Rotary Club, Sawantwadi.

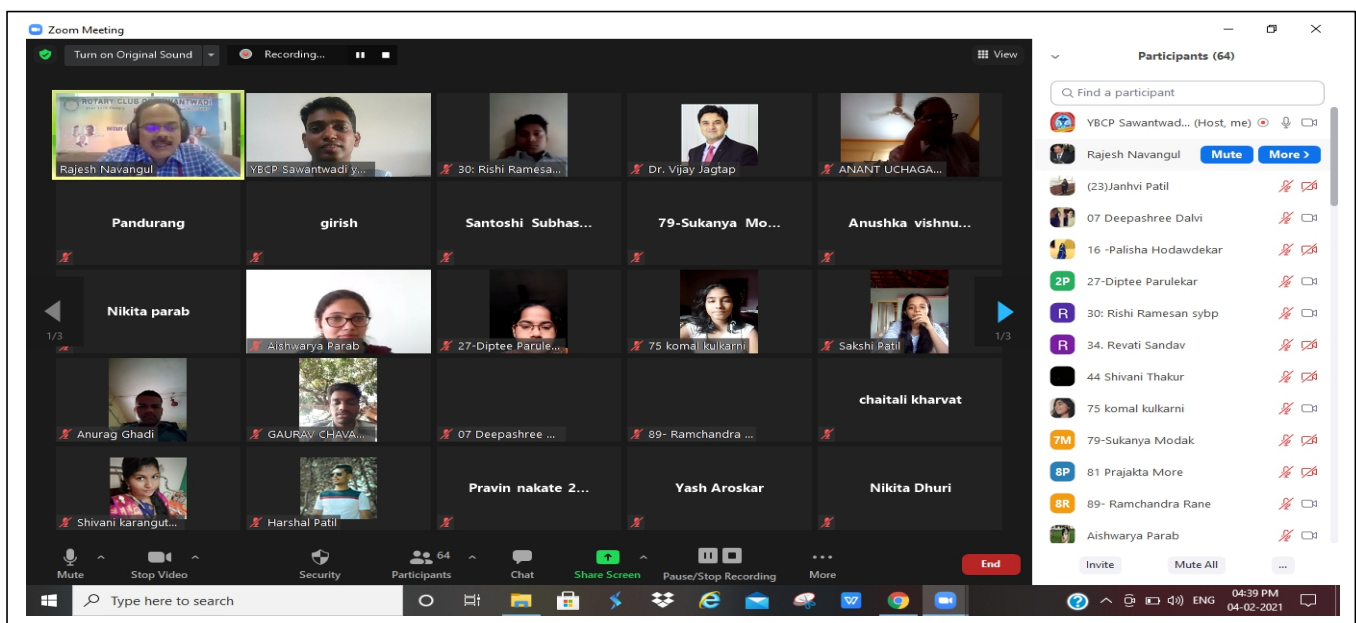

The event was started with the good note by virtual lamp lightening. Ms. Aishwarya Parab delivered opening remarks for speaker, faculties and all the students. Dr. Vijay A. Jagtap, Principal of YBCP delivered the welcome address. Mr. Mahadev Parab, NSS Coordinator hosted the webinar.

Dr. Navangul sir introduced the cancer and its various types, its control and prevention's, factors causing cancers and also talked about lifestyle changes in last few decades that leads to cancer. He also urged the participants to avoid and make family members and friends to stop tobacco and smoking.

After this fruitful session participants come up with some queries which was cleared by Dr. Navangul sir. Participants had friendly discussion with our eminent speaker Dr. Navangul sir. Total more than 100 participants was benefited with this webinar.
