### **Introduction:**

Pharmacist day is observed across the world on September 25. The World Pharmacists Day is celebrated by Pharmacists to promote their commitment to organize activities that promote and advocate for the role of the pharmacist in improving health in all parts of the world. The International Pharmaceutical Federation (FIP), the global federation of national associations of pharmacists and pharmaceutical scientists, came into existence on September 25<sup>th</sup>, 1912. The FIP Council in Istanbul, Turkey, in 2009 suggested to observe the Pharmacist Day on September 25 because on this day FIP came into existence. Hence, we celebrate World Pharmacist Day on 25<sup>th</sup> September .

The purpose of World Pharmacists Day is to encourage activities that promote and advocate for the role of the pharmacist in improving health in every corner of the world. This year's theme, developed by FIP, is "Transforming Global Health".

Yashwantrao Bhonsale College of pharmacy, Sawantwadi and Yashwantrao Bhonsale College of D pharmacy jointly celebrated 10<sup>th</sup> World Pharmacist Day in association with Sindhudurg District Chemist and Druggist Association, Sindhudurg by following the guidelines of social distancing. The event was started by the host Ms. Namita Bhosale by playing a tribute video of appreciation to local pharmacist. It gave a clear picture of efforts by pharmacists all over the world working tirelessly to stop the spread of Corona Virus; also ensuring that the peoples at home get continuous access to medicines they need.

## Objectives:

1. To promote the theme of World pharmacist day to local pharmacists and students.
2. To make people aware about the importance of Pharmacist's role in society.
3. To felicitate local pharmacist for their contribution to society.
