BE PART OF THE CHANGE, TAKE THE CVC'S PLEDGE TO PUT AN END TO CORRUPTION IN INDIA

Introduction –

The central Vigilance Commission observes the Vigilance Awareness Week from 27th October to 2nd November 2020. This is observed every year during the week in which the birthday of Sardar Vallabhbhai Patel falls. The awareness week campaign affirms our commitment to promotion of integrity & probity in public life through citizen participation.

In 2020, the Vigilance Awareness week was being observed from 27th October to 2nd November 2020 with the theme, “SATARK BHARAT, SAMRIDDH BHARAT” i.e. Vigilant India, Prosperous India.

The Commission believes that corruption is a major hindrance to the progress of the nation. All sections of society need to be vigilant in order to uphold integrity in all aspects of our national life. The Commission desires that all organisations focus on internal (housekeeping) activities which are to be taken up in campaign mode as part of the Vigilance Awareness Week this year. This includes improvement of internal processes, time bound disposal of work and systemic improvements leveraging technology. Commission emphasises making all processes transparent including payment to outsourced workers, house allotments, updation and digitization of assets including land records, condemnation of old furniture and weeding out old records following prescribed procedures/ extant rules .

Organisations have been advised to identify and implement systemic improvements within their organisations. They may then upload them on their organisation’s website in the public domain. This may be sent to the CVC in order to ensure wider dissemination of the systemic improvements and good governance measures.

Preventive Vigilance module has been included in the training curriculum for foundation training course of probationary officers of Banks and some other cadres such as scientists. The Mid- Career Training Programme for middle level officers of the organised Group A services under various Ministries of the Government of India also includes a module on Preventive Vigilance. Visit to Institutes of Excellence, village visit etc. have been added to modulate the behaviour of government officials towards integrity and transparency and to bring about attitudinal change.

Objectives:-

1. To eliminate corruption in public life

2. To build up a better nation

3. to encourage all stakeholders to collectively participate in the preventive vigilance measures and fight against corruption, raise public awareness regarding the existence and gravity of and the threat posed by corruption.

About the program:-

NSS Unit of YBCP had organized a platform where the general public could take the pledge and download the e-certificate for the same.

On this occasion google form was designed to take the pledge. This form link was circulated among the people. E-certificates were issued by the Government of India to those who registered and read the pledge. Further Our college also participated in the CVC awareness week by taking the pledge .

Next, gender sensitization activity was organised in various schools in Sawantwadi. Ten schools were chosen and enquiry was done regarding provisions and facilities provided by the institution to the females and whether separate committee for women has been established or not. Separate google form was designed for this and information was collected from all those ten institutions.

It was observed that all the schools are trying their best to give all the facilities to the girls so that girls can take good education and enjoy it.
