**Objectives:** **To create awareness related to diseases due to tobacco consumption**  
**To communicate possible controlling ways for tobacco consumption**  
**To introduce different ways of aerating social awareness about tobacco consumption**  
**To describe different policies on behalf Health Department**  
**Government of Maharashtra**

**About the Program:** Department of Lifelong learning and extension Under SENSE club of Yashwantrao Bhonsale College of Pharmacy Sawantwadi In Collaboration with District Civil Hospital Sawantwadi Organized “NATIONAL TOBACCO CONTROLE PROGRAM” . the event was organized in seminar hall for final year b.pharmacy students . Cottage Hospital has taken initiative to communicate different schemes of health department of Government of Maharashtra through Puppet show performed by famous artist Mr Chetan Gangawane and team, sons of Mr.Parshuram Gangawane, a Padmashri awardee 2021. This activity is happened under MoU sanctioned amongst Cottage Hospital Sawantwadi and YBCP .

The program was based on awareness related to diseases caused by TOBACCO CONSUMPTION based on story under the complaint made by ladies farmer in a state of ancient Rajdarbar and how the king solves complaint of tobacco consumption by lady of state.

2021 Padmashree Awardee Mr. Parashuram Gangawane ji and his 03 son are playing this Chitrakathi as atradition of Maharashtra and creating awareness about social problems. Parashuram Gangawanes father has started this vention since 60 years back. They have created museum by converting own house in spite of facing lot of economical difficulties. Students got a good message through the event

**Total Number of beneficiaries were 75 B. Pharm student and 21 teaching and 17 assistant staff members**
