## **INTRODUCTION:**

Happy Republic Day 2022: India marks January 26 as its Republic Day every year. In 2022, the country is celebrating its 73rd Republic Day. While India gained independence from the British Raj in 1947, it wasn't until January 26, 1950, that the Indian Constitution came into effect, and India became a sovereign state, declaring it a republic. Dr BR Ambedkar headed the Drafting Committee of the Constitution. Additionally, Constitution Day is celebrated in India on November 26 every year, as on November 26, 1949, the Constituent Assembly of India adopted the Constitution of India.

Republic Day is celebrated with much pomp all across the country. The main attraction of Republic Day celebrations is the annual parade which begins at Rajpath, Delhi, and ends at the India Gate. On this day, the country's President hoists the flag at Rajpath, New Delhi. The ceremonious event also showcases India's cultural and social heritage, parades and air shows by the Indian Army, Indian Navy and Indian Air Force.
