- ❖ **Program advisor** : **Dr. Vijay A. Jagtap**

Introduction:

A awareness lecture on “Industrial Waste Management and Contribution in Pollution Control” organized by NSS Cell and SENSE Club of Yashwantrao Bhonsale College of Pharmacy, Sawantwadi.

Objectives:

1. To create awareness amongst students about pollution control and waste management.

About the program :

A seminar on Industrial waste management and how to control pollution was conducted on the occasion of “World Pollution Control Day”. The seminar was conducted under the NSS cell and SENSE club of Yashwantrao Bhonsale College of Pharmacy, Sawantwadi who are always trying to develop Human Values which has been lost today. It was held on 2nd December 2022 from 4:00 Am to 05:00 Pm at YBCP's Seminar Hall.

The seminar was started with the inaugural moment and verbal welcoming of dignitaries Mr. Tushar Rukari Sir, HOD UG Pharmaceutics department faculty, along with Mr. Vinod Mule sir, HOD of Pharmacology Department and Mr. Mayuresh Redkar NSS Coordinator.

There were total 152 Students of Diploma and Third Year B. Pharm. present for the event. The seminar showcased to “How to control pollution?” and “How to manage Industrial waste?” was explained by the student representatives with the help of PPT. Each and every members explained points like dumping, Recycling, Biomedical waste and Environmental pollution. Our team member also introduced the OBR Kit installation in Industries which uses biogas and not the fossil fuels like diesel which are used for Boilers (Helps in Sterilizing and drying the drugs). Also the main point was to introduce a basic and easy formula to control the pollution and increase the plant growth, ' Plant one tree each year on your special day' and not only plant them but also help them to grow by nurturing them, forward this formula forward which will result as a chain leading to reduce pollution as well as increasing the Numbers of Plants. The event was coordinated by Mr. Sarthak Khamitkar and team (Student Representatives) and Mr. Mayuresh Redkar (NSS PO- B. Pharmacy, YBCP, Sawantwadi).

Statistical Analysis:

Sr. No.	Category	Number of participants
1	Participants	152
2	Faculty (Teaching, Nonteaching)	5
3.	Demonstration given by	05
	Total	162
