### **About the Program: Day 1 to Day 05 (05/12/2022 to 09/12/2022):**

Day 1: Inauguration session & felicitation of guest by representatives. First day first session was conducted by Dr. Suresh Patil Sir on the topic NSS: A Golden Opportunity. During the said session sir has explained about the role, history & opportunity in NSS. Sir has briefly emphasized on the real motto of NSS, also talked about different stages of life, and the principles of social behaviors. Students gained a knowledge of self-dependent, make the youth ready, disaster or emergency management as well as protect self & others, national integration, volunteering needs etc.

Second Lecture of the day was conducted by Dr. Priyanka Pednekar maam on the topic “Today’s Youth Generation & their Health.” During her session ma’am said that today’s youth generation is influenced by the mobiles, social media & many more things which leads to causes the mental health problems in day-to-day life.

Also ma'am guided the present audience about how to improvise daily life style to rehabilitate the social, mental and physical health.

The third lecture of the day was delivered by Dr. Prajyot Nalavde sir on the topic waste management. In waste management students learned about the need of 3R i.e. reduce, reuse and recycle, etc. Deforestation causes disturbances, we need to sustain the development for further use, less to use plastic, afforestation etc. After the lectures students intoned aarti & devotional songs and went for dinner. Followed by cultural activities at 10.00 pm. Many students participated in that activities. Like dance, Drama, skit.

Day 2: Second day started with morning session assembly, prayer, NSS anthem. yoga & exercise, running, prayer, storytelling, national anthem, cleanliness drive at different localities in the village. Day's first lecture was conducted by Mr. Ganesh Pawar sir on the topic Environment Conservation, during the session sir explained the need to conserve the environment for future generation. Day's second session was conducted by Shri. Vishwanath Tambe sir on the topic Business Oriented Education, during the session sir has briefly talked about individual's need, principles of capital management, and channels of money investment. Third lecture was conducted by Dr. Shirsat sir on the topic Leadership Skills & Values. Sir talked about how to become a leader, respect others in any conditions, manage your anger, not to cheat. Fourth Lecture By: Rahul Marathe Personality Development, Body language, image building, body posture, skills, behave, be clam in every situation.

Day 3: Started with yoga practice followed by day's first lecture by Mr. Swapnali Kamble sir on the topic women's safety and empowerment. Second session was conducted by Ms. Arpita Mumbarkar on the topic "Youth Generation towards alcohol other addicted product". During the session ma'am said that alcohol is especially risky for teenagers and young people. The brain continues to develop until around 25 years of age, making it more sensitive to damage from alcohol. Drinking alcohol can damage your brain and lead to health issues down the track. Make sure you're aware of all the effects of alcohol. Third lecture was conducted by Ms. Vaseem Sayyed sir on the topic Role of NSS and it's history. In said session students learned that about current objectives, health awareness, develop social skill, work with people for people, enhances knowledge towards community, develop civic & social responsibility. Personality Development etc.
