

"HOSPITAL VISIT"

6th December 2022

Venue: District Hospital, Sindhudurg nagari, Tal: Kudal, Dist: Sindhudurg.

Targeted Audience: Second-year students (Integrated D. Pharmacy)

Hospital visit was arranged by Yashwantrao Bhonsale College of pharmacy, Sawantwadi, for Second-year integrated diploma pharmacy students on **6th December 2022** at District Hospital, Sindhudurg nagari, Tal: Kudal, Dist: Sindhudurg. 53 Students visited District Hospital under monitoring of faculties Ms. Sneha J. Sawant, Ms. Vaibhavi A. Choudhari and Ms. Supriya B. Rawool. Hospital visit being a part of studies and field visit (Hospital and clinical pharmacy) in academics with the purpose to know the various departments and processes involved in various departments of hospital from practical point of view. The main objective of visit was that, students were able to collect actual information required for their experiments during the visit.

During hospital visit, students were exposed to various departments in hospital with proper guidance by Mr. Anilkumar Desai sir (head pharmacist), Mr. Kamble sir (pharmacy officer), Mr. Bagave sir (blood bank) and other staff members in hospital. It includes pharmacy store, IPD, OPD, Maternity home, ICU, pathology laboratory, X-ray department, Male and Female Section, Operation Theater, Dialysis Room, CT scan, Blood bank and dispensing area.

In the pharmacy store, students understand the various medications in store of hospital their arranging system and classification as per categories. How to store and when to supply the medicines to hospital patients was explained

very easily. CT scan machine was shown to the students, how to take the results from it and working of machine was explained by the staff. Also, the blood bank unit was shown to students and storage related information for various blood constituents was provided to students. The prescription and their dispensing process was shown at dispensing department.

Students were fully satisfied with the visit. They understood well about different departments of hospital, documentation records in hospital, clinical laboratory, pharmacy store and functions of all the departments. This visit was found helpful to students for report submission and it was the achievement of the day.

Glimpses of the event:

1. Mr. Bagave sir, explaining about blood bank department.

2. Mr. Kamble sir, (Pharmacy Officer) explaining to students about drug store management.

3. Integrated D. Pharm second year students visited District hospital, Sindhudurg.
