

"FIELD VISIT"

10th March 2023

**Venue: Garbage and sewage management plant, municipal council,
Sawantwadi. Dist: Sindhudurg.**

Targeted Audience: First-year students (Integrated D. Pharmacy)

Field visit was arranged by Yashwantrao Bhonsale College of pharmacy, Sawantwadi, for First-year integrated diploma pharmacy students on 10th March 2023 at Garbage and sewage management plant, municipal council, Sawantwadi. Dist: Sindhudurg.

55 Students visited Garbage plant under monitoring of faculties Ms. Vaibhavi A. Choudhari and Ms. Kavita A. Sawant. Garbage and sewage management plant visit being a part of studies and field visit (Social pharmacy) in academics with the purpose to know the various processes involved in garbage and sewage management. The main objective of visit was that, students were able to collect actual plant information required for their studies during the visit.

During the visit, students were exposed to information about separation of waste, collection of garbage and its processing methods of crushing and bio-waste management with proper guidance by Mr. Natekar, Project Head, Garbage and sewage management plant.

In the field visit, students understand the various processes for proper management of garbage and sewage of any municipal area.

Students were fully satisfied with the visit. This visit was found helpful to students for report submission and it was the achievement of the day.
