Yahswantrao bhonsale
college of pharmacy

Ms. Sheetal Samant
Extentin Teacher

Objectives:

1. To donate first-aid kits.
2. To promote health care.
3. To aware in society about need and usage of first aid.

About the program:

First aid is the first and immediate assistance given to any person with either a minor or serious illness or injury, with care provided to preserve life, prevent the condition from worsening or to promote recovery.

On this account, the students of Yashwantrao Bhonsale College of pharmacy, Sawantwadi decided to create awareness about first aid.

On September 2022 this activity was conducted at old age home and at Jeevdan Vishesh school.

The students have made 10-15 first aid kits which included cotton, Dettol antiseptic, ointment, scissor, bandages, etc. They gave information about each component and guide them on their usage. We also gave practical demo on it.

The event was successfully and satisfactorily accomplished.

Details of participants :

Number of participants : 42
