Introduction:

Cancer awareness is the key to early detection and better health-seeking behaviour. Cancer is quite common in both developing as well as developed countries, but awareness is yet poor among the general population. Poor awareness may lead to poor uptake of screening modalities and delay in diagnosis. The National Service Scheme (NSS) unit and Sense Club of Yashwantrao Bhonsale College of Pharmacy in collaboration with Inner wheel Club of Sawantwadi organized expert lecture on diagnosis, prevention and management of cervical cancer on 14th September 2022.

Objectives:

- ✓ To create awareness about cervical cancer in womens.
- ✓ Interaction with the students and staff members and to educate them regarding management of cervical cancer.
- ✓ Preparation and submission of reports.

About the Program:

Yashwantrao Bhonsale College of Pharmacy grabbed the opportunity to conduct an expert lecture on diagnosis, prevention and management of cervical cancer as a part of full bright NSS activity held on 14th September 2022, 4:00 Am To 05:00 Pm at YBCP's Seminar Hall. The NSS volunteers were divided into different committees to look after different aspects of the event. The program was start with the inaugural movement which is done by lamp lightening ceremony with the auspicious hands of Hon. Dr. Rajesh Navangul sir guest speaker, Hon. Dr. V. A. Jagtap, Principal, Yashwantrao Bhonsale College of Pharmacy, along Mrs. Darshana Rasam ma'am, president and Bharti Deshmukh, ma'am Secretary of Innerwheel club Sawantwadi. Dr. Rohan Barse sir Spandan Club Head of Yashwantrao Bhonsale College of Pharmacy and NSS Coordinator with all the students of YBCP and staff members were present for the event. Dr. Navangul

sir guided students about the disease pathology, preventive measures. Theme of event was 'Let's talk about Cervical Cancer: Be aware, don't fear' which was very helpful to students in understanding the facts related to cervical cancer, where and how actually it happens and how any one take care to prevent risk of cervical cancer disease. Dr. Navangul Sir showed various pictures of cancer and disease pathway which was very effective and understandable to all students. At last Dr. Navangul sir gave the information about vaccines that can be taken by Girls in their early age of teenagers to prevent the risk of cervical cancer in future. Dr. R. K. Barse, Spandan Club Head was the Chief Coordinator of this programme. Mr. M. R. Redkar, Sense Club Head and NSS Coordinator of YBCP played a key role in successful organization of the event. The program was conducted at YBCP's seminar hall during afternoon session 04:00 Am To 05:00 Pm, Overall program executed by making various team of students with their specified responsibilities. The event was enthusiastically completed with the contribution of all the students, teaching and non-teaching staff members of YBCP. Throughout the program NSS team of YBCP look after for successful execution of the event. The overall program was well-coordinated by Mr. Mayuresh R. Redkar, Program concluded with a vote of thanks.
