**Objectives :**

- To impart knowledge in students about nature.

**About this activity:**

Competitions at the school level are about more than just participation and earning awards. They may help students discover and nurture their innate skills. This is especially true at art competitions, where kids get a chance to showcase their creative and artistic ability.

Visual arts such as drawing and coloring are encouraged in these events, which allow kids to showcase their inherent abilities in sketching and illustration. Competitions are beneficial in motivating young artists and assisting them in developing their creative talents by exposing them to current talent in the area.

Students can acquire the correct mindset toward a profession as an artist by participating in drawing and coloring competitions. In the face of contests, it helps people to push themselves and step beyond their comfort zones. Students learn to enjoy the experience and move on to become better and stronger artists by thinking of art contests as more than simply about winning and losing.

The key to success as an artist is constant learning and self-motivation, and these competitions help students develop these habits.

As a small step from our side the students of Yashwantrao Bhonsale College of Pharmacy, Sawantwadi organized DLLE's college level activity i.e. Drawing Competition to impart knowledge in students about nature.

On 17<sup>th</sup> September 2022 Drawing competition was conducted at Yashwantrao Bhonsale International School, Sawantwadi. Topics for the competition were Pollution Prevention, Pollution and its effects and Save Trees and Natural Resources. Around 117 students of standard 5<sup>th</sup>, 6<sup>th</sup> and 7<sup>th</sup> actively participated in our activity. Competition was arranged in their respective classrooms.

Principal of Yashwantrao Bhonsale International School Mr. Vyankatesh Bakshi Sir has guided throughout this activity. Dr. Prashant Mali Sir and Mr. Gajanan Popkar Sir also helped to evaluate the results of the competition. Results of the competition were declared in the auditorium hall. Winner of the competition were awarded with Trophies, Certificates and various Gifts.
