- ❖ **Title** : **State Yuva Sansad 2023**
- ❖ **Organized by** : **State NSS Cell & UNICEF**
- ❖ **Venue** : **University of Mumbai, Vidyanagri
Campus Kalian East, Mumbai**
- ❖ **Date** : **18th & 19th April 2023**

Introduction:

The Hon'ble Prime Minister shared the idea of youth becoming the voice of India in his Mann ki Baat address on 31st December 2017: "I got an idea whether we could organize a mock parliament in every district of India? Where the youth between 18 and 25 could sit together and brainstorm about new India, find ways, and chalk our plans. How could we realize our resolves before 2022? How could we build an India of the dreams of our freedom fighters?" He categorically spoke about giving a chance to the youth to put forth their views on various issues concerning the country. "I propose that a mock Parliament be organized... comprising one young person selected from each district who would participate and deliberate on how a new India could be formed in the next five years. How can resolve to be transformed into reality?"

Thereafter each state organizes the Yuva Sansad Event state wise. This year State NSS Cell of Maharashtra in collaboration with UNICEF on 18th and 19th April organized State Yuva Sansad 2023 at the University of Mumbai, Vidyanagari Campus, Kalina East, Mumbai.

Objectives:

- ✓ To encourage the national youth for the parliamentary process of India.

- ✓ To uplift the youth's dedication towards issues and need in society.
- ✓ To strengthen the democracy of India.

About the Program:

Day 1 (18/04/2023)

Reached To the Mumbai University at Vidhyannagri campus kalian east by 10 am. After completion of registration Part I moved towards breakfast, then I joined the discussion session about the event.

Guest arrived at 11:00 Am and day one of the event started with felicitation of the guests. Dr. Tanaji Patil sir introduced guests and explained Different policies & education schemes of the government. After that, Dr. Rameshwar R. Kothwale sir gave the introduction about NSS and how it works. Then we went for the Lunch.

After lunch, we visited Raj Bhavan & Governor House. In the beginning we saw the army bunker it was about 4 km to walk away & see different things in the bunker. In the afternoon by 3.45 pm, we got a chance to meet the Governor of Maharashtra Shri. Ramesh Bais Ji. He introduce himself & we got a chance to introduce ourselves to him. Later by 4.30 Pm, we visited the Vidhansabha, Vidhanparishad, Central Hall, and the member from the Vidhansabha. Sir has given a brief introduction about Vidhan Sabha how it works, how the bills are passed. Sir has also briefly described the details about the working system of Vidhansabha. By 7.30 pm, we move towards the hostel, and refreshment for 20 mins. From 8 to 9 pm, we had dinner & by 9 we started the cultural program of about 2 hrs.

Day 2 (19/04/23)

Morning Section had breakfast & refreshments. In the morning we experienced the mock drill of the parliament process. State youth mock parliament 2023 was

organized recently by NSS and UNICEF to develop and harness leadership skills and articulation skills. On the 19th, the mock youth parliamentarians assembled in a hall to discuss socio-cultural, political, and economic issues of national importance. The mock government put forth two bills on financial and health matters. Nonetheless, the highlight of the day wasn't the venue or other facilities, it was the abstract values of tolerance and empathy that brought us together and made me realize. Screams denouncing the inaction of the government and demanding the resignation of ministers, MPs banging their desks, and a heated argument between the opposition and government brought the state-level mock youth parliament to life. The aim of developing leadership skills among us has been achieved to an extent. Hope to go further with more opportunities!

Valedictory session - Received participation certificate from Dr. Rameshwar Kothawale Sir (State liaison officer and officer on special duty NSS, Department of Higher and technical education, of Maharashtra) and Dr. Sushil Shinde Sir (Officer on special duty NSS, University of Mumbai). Indeed it was a great experience.

I would like to give a special thanks to our NSS Program Officer Mr. Mayuresh Redkar sir, Sindhudurg District NSS Coordinator Mr. Vaseem Sayyad Sir and our beloved Principle Sir Hon. Dr. Vijay Jagtap Sir for nominating myself for such wonderful event and giving an opportunity to participate in this event.
