Education through Distance Learning

Name of the activity: - Education through Distance

Learning Date: - 05/01/2024

Organized by: - DLLE

Speaker : - Mr. Sarthak Khamitkar

DLLE Extinction teacher: - Mrs. Gayatri Athalekar

Convener: - Dr. Vijay Jagtap

Objectives:-

1. To introduce students to the concept of distance learning as a viable and flexible alternative to traditional classroom education.
2. To create awareness about the diverse range of courses offered by popular online learning platforms such as Udemy, SimpliLearn, and Coursera.
3. To familiarize students with the advantages of pursuing education through online platforms, including accessibility, affordability, and self-paced learning.
4. To highlight the significance of adapting to digital learning trends and staying updated with evolving educational paradigms.
5. To showcase the user-friendly interfaces of Udemy, SimpliLearn, and Coursera, emphasizing the ease of navigation and course selection.
6. To introduce students to the free courses offered by Swayam-NPTEL, encouraging them to explore government-sponsored initiatives for skill enhancement.
7. To provide insights into the vast array of subjects covered by online courses, catering to diverse academic and professional interests.
8. To emphasize the role of online learning platforms in fostering continuous skill development and staying competitive in today's dynamic job market.

9. To empower students with the knowledge to make informed decisions about their educational journey beyond traditional classroom settings.
10. To motivate students to actively engage with online learning resources, fostering a proactive approach towards personal and professional development.

Introduction:-

In the rapidly evolving landscape of education, distance learning has emerged as a transformative alternative, providing individuals with the flexibility to pursue courses at their own pace and convenience. Recognizing the significance of this educational paradigm, an awareness session was organized at Balkrishna Classes. The session targeted 16 students, exposing them to the diverse range of courses offered by renowned platforms such as Udemy, SimpliLearn, and Coursera. The highlight of the session was the introduction to Swayam-NPTEL, a commendable initiative by the Government of India, offering free courses designed to enhance the skills and knowledge of learners across various disciplines.

The session commenced with an overview of the evolving trends in education, emphasizing the importance of adapting to digital learning platforms. Attendees were guided through the user-friendly interfaces of Udemy, SimpliLearn, and Coursera, showcasing the vast array of courses available across different subjects. Special emphasis was given to the affordability and accessibility of these platforms, making quality education reachable to a broader audience.

The latter part of the session focused on Swayam-NPTEL, shedding light on the government-sponsored initiative's commitment to democratizing education. Attendees were briefed on the plethora of free courses provided by Swayam-NPTEL, ranging from technical subjects to liberal arts. The session concluded with a call to action, encouraging students to explore these platforms, diversify their learning experiences, and harness the potential of distance education.

Conclusion:-

The awareness session on education through distance learning at Balkrishna Classes proved to be a pivotal initiative in broadening the horizons of students. The exposure to popular online platforms like Udemy, SimpliLearn, and Coursera, along with the introduction to free courses offered by Swayam-NPTEL, aimed at equipping students with the tools necessary for continuous learning and skill development. As the educational landscape continues to evolve, embracing distance learning becomes imperative for individuals seeking to stay ahead in their respective fields. The session not only fostered awareness but also ignited a sense of enthusiasm among the students to explore and embrace the vast opportunities provided by digital education platforms. Overall, the initiative marked a significant step towards empowering students with the knowledge and skills needed to thrive in the dynamic world of online education.

- Job Market Competitiveness

DISTANCE LEARNING

- Accessibility
- Flexibility
- Cost effective
- Life - long learning
- Continuous Learning culture

Free Course

Group Members	
DLBhosale	KA.Marye
S.D.Grewar	T.Kolhatkar
S.Hamale	P.Bose
P.H. Grewar	KA.Shinde
A.Kumar	A.Srivastava

Glimpses of Awareness Session:-

Details of Group members:-

No of Audience	37
Number of Students	10
Number of Teachers	1
Total	48

Name of the members:-

1. Mr. Sarthak Ganesh Khamitkar
2. Ms. Shravani Subhash Desai
3. Ms. Bhakti Sanjay Morye
4. Ms. Anuja Uttam Kudav
5. Ms. Tanaya Narayan Keluskar
6. Ms. Pranita Vishnu Gawas
7. Ms. Prajakta Manohar Bote
8. Ms. Samiksha Sandip Gawade
9. Mr. Ravikant Devidas Gawas
10. Ms. Anuja Anil Sarang
