OBJECTIVE:

Teacher's Day is celebrated to honour teachers for their guidance and help. It is also celebrated to commemorate the birthday anniversary of Dr. Sarvepalli Radhakrishnan, who became the president of India in 1962. It is a reminder of the role that teachers play in nation-building by guiding and educating the brightest minds of our country. Teachers mold the lives of the students by guiding them, by enriching their personalities, by imparting ethical and moral values and have more influence on them.
