**Objectives of Event**

- ✓ **Empowerment:** Empower youth to actively participate in shaping India's future.
- ✓ **Visionary Leadership:** Cultivate visionary leadership qualities among young people.
- ✓ **Innovation:** Encourage innovation and creativity to address societal challenges.
- ✓ **Civic Engagement:** Foster active civic engagement and participation among youth.
- ✓ **Skill Development:** Provide opportunities for skill development and capacity building.

Viksit Bharat@2047 is the vision to make India a developed nation by 2047, the 100th year of its independence.

### **About the Program:**

On 12<sup>th</sup> december, Prime Minister Narendra Modi started something important called 'Viksit Bharat@2047 - Voice of Youth'. He talked with university leaders and students from all over India through a virtual event.

The Even Virtually attended by students of Yashwantrao Bhonsale College of Pharmacy in Sawantwadi. They shared their ideas and hopes for India's future with the Prime Minister. Together with him, they promised to work hard to make India better by the year 2047.

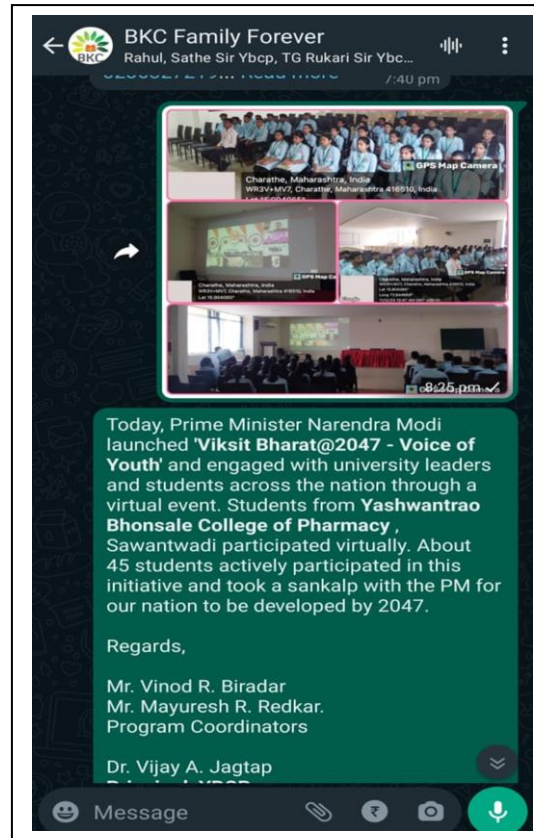

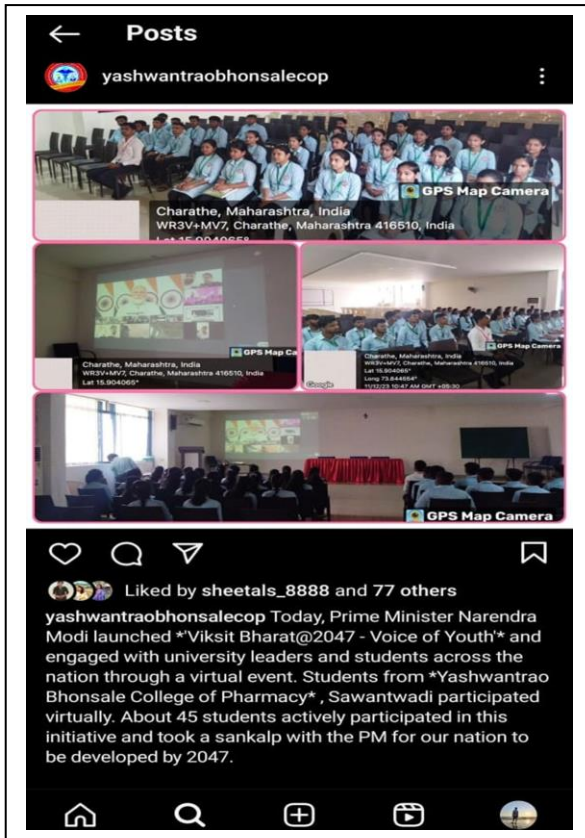

This event showed how young people can be a big part of making India stronger and better for everyone.

**Total No. Participant from YBCP- 45**
