Introduction:

Student orientation programme plays an important role in a students transition to a university life. Orientation programmes are aimed at familiarizing the students to an unknown campus environment, its faculties and infrastructure. It enables them to make essential connection with studies and develop network among other peers. “Where will be my classroom? What will be my majors, What is the course structure?” Umpteen numbers of questions loom in the minds of students, when they start their college life.

Objectives:

- ✓ aimed at familiarizing the students to the syllabus and other academic guidelines to the students.
- ✓ It enables them to make essential connection with studies and develop network among other peers.

About the Programme:

In the beginning of the first year, students need to be made acquainted to their surroundings in the campus. This includes introductory sessions, giving them an overview of the college life; the rules

and regulations mandated for each student in a particular college. It is an essential period at the beginning of the college session, which allows the students to get settled in their new environment.

The orientation program for the students was organized on 15th September 2023 at the seminar hall. Students were formally welcomed and introduced to the culture of the college, campus and University.
