Objectives:

1. To prevent avoidable hearing loss on account of disease or injury.
2. Early identification, diagnosis and treatment of ear problems responsible for hearing loss and deafness.
3. To medically rehabilitate persons of all age groups, suffering with deafness.
4. To strengthen the existing inter-sectoral linkages for continuity of the rehabilitation programme, for persons with deafness.
5. To develop institutional capacity for ear care services by providing support for Equipment material and training personnel.

About this Activity:

The Hearing Problems seminar organized by our DLLE group members. It was a comprehensive event focused on addressing key challenges and solutions of hearing Problems. This seminar basically aimed to educate students about the Hearing Problems. It involves the basic knowledge of noise pollution and Hearing Problem and its causes, signs-symptoms etc. Students were addressed their responsibility towards reducing the Hearing Problems.
