Objectives:

1. To gain insight into various aspects such as cognitive functioning, emotional well-being, memory processes, coping mechanisms.
2. Strategies for promoting mental health and quality of life in older adults.
3. The aim is to understand the unique psychological needs and challenges faced by seniors and explore effective interventions and support systems.

About this Activity:

All group members decided to meet Dr. Rupesh Patkar to gather knowledge regarding the mind of senior citizens. So, on 23rd December 2023 they visited the DR. Rupesh Patkar native town and grant permission for interviewing him. He gave his valuable time from the busy schedule. The interview was conducted at his house. Firstly, they introduced them regarding our college and activity. Then various questions were asked by students to Doctor. All of students listen to them very carefully and participated in discussion session enthusiastically. They gave the knowledge regarding the modern society and their behavior towards them. He also gave information regarding how we can overcome the gap. This interview made them realize the importance of senior citizens .
