

24 Feb 2024

### Pamphlet distribution

**Name of activity** : Pamphlet distribution on " First Aid: An immediate medical assistant"  
**Date** : 24 FEB 2024  
**Organized by** : DLLE  
**Venue** : Sawantwadi  
**Event co-ordinator** : Mrs. Gayatri V. Athalekar  
**Event advisor** : Dr Vijay A Jagtap

**Objectives:**

1. To aware people about sources of noise pollution.
2. To aware people about problems that arise due to noise pollution.
3. To aware people about harmful effects of noise on health.
4. To tell people about steps to reduce noise pollution.

**About the activity:**

This activity centered around distributing informative pamphlets to public spaces in sawantwadi. The pamphlets made & designed by students of our group. The pamphlets provided practical tips for noise reduction, highlighted the health implications of excessive noise, and emphasized the importance of community cooperation in minimizing environmental noise. This proactive initiative aimed to enhance public understanding and encourage responsible noise practices for a quieter and healthier living environment.
