## **About the Program:**

The NSS & SENSE CLUB Unit of Yashwantrao Bhonsale College of Pharmacy, organized a series of events to celebrate and raise awareness about the importance of voter participation. The awareness session held under the theme 'Electoral Literacy for Stronger Democracy' at YBCP's seminar hall.

During the session, students were enlightened about the pivotal role they play in shaping the democratic landscape of the nation through their participation in the electoral process. Through engaging presentations and interactive discussions, participants gained insights into the significance of electoral literacy in upholding the principles of democracy and ensuring informed decision-making.

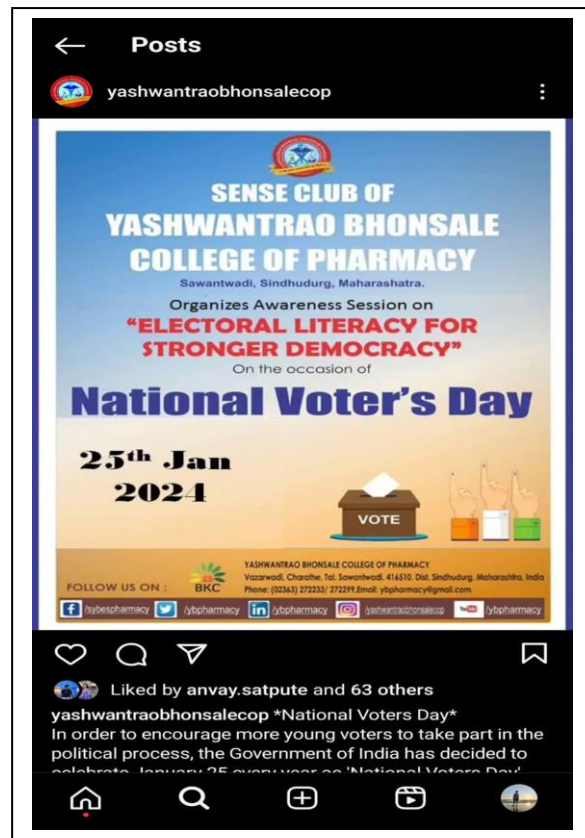

Furthermore, the event served as a platform to highlight the various initiatives undertaken by the government to promote voter education and awareness, emphasizing the empowerment of citizens through knowledge and participation.

The celebration of 'National Voters Day' at Yashwantrao Bhonsale College of Pharmacy reflects a collective commitment to nurturing democratic values and strengthening the foundations of Indian democracy.
