## **Objectives of Program**

- ✓ Promote the academic events organized, including science exhibitions and quiz competitions.
- ✓ Recognize participants' achievements and contributions.
- ✓ Showcase Students involvement in event organization.
- ✓ Emphasize student engagement and enjoyment.
- ✓ Recognize the creativity of student in event.

## **About the program**

Yashwantrao Bhonsale College of Pharmacy and Yashwantrao Bhonsale College of D Pharmacy came together to celebrate National Science Day with great enthusiasm. The event aimed to foster a spirit of scientific inquiry and innovation among students through a combination of a science exhibition and scientific quiz competitions.

The day commenced with science exhibition where students showcased experiments and models from various scientific fields. The exhibition provided a platform for students to demonstrate their creativity and understanding of scientific concepts.

In the afternoon, the excitement continued with a quiz competition with 20 pairs of participants from across all classes. This competitive yet collaborative event tested the students' knowledge and understanding of scientific principles, fostering healthy academic competition.

Mr. Tushar Rukari, Head of the Department of Pharmaceutics, and Ms. Sneha Sawant, lecturer at YBCP, undertook the responsibility of evaluating the scientific models and experiments presented during the exhibition. Their expertise ensured a fair and insightful assessment of the student's efforts.

Honorable Dr. Vijay Jagtap, Principal of YBCP, and Honorable Mr. Satyajeet Sathe, Principal of YBDP, graced the occasion and distributed certificates to the deserving winners and runners-up of the competition. Mr. Omakar Pendse, Head of the Department of Int Diploma, was present to oversee the quiz competition, ensuring its smooth conduct and adherence to academic standards.

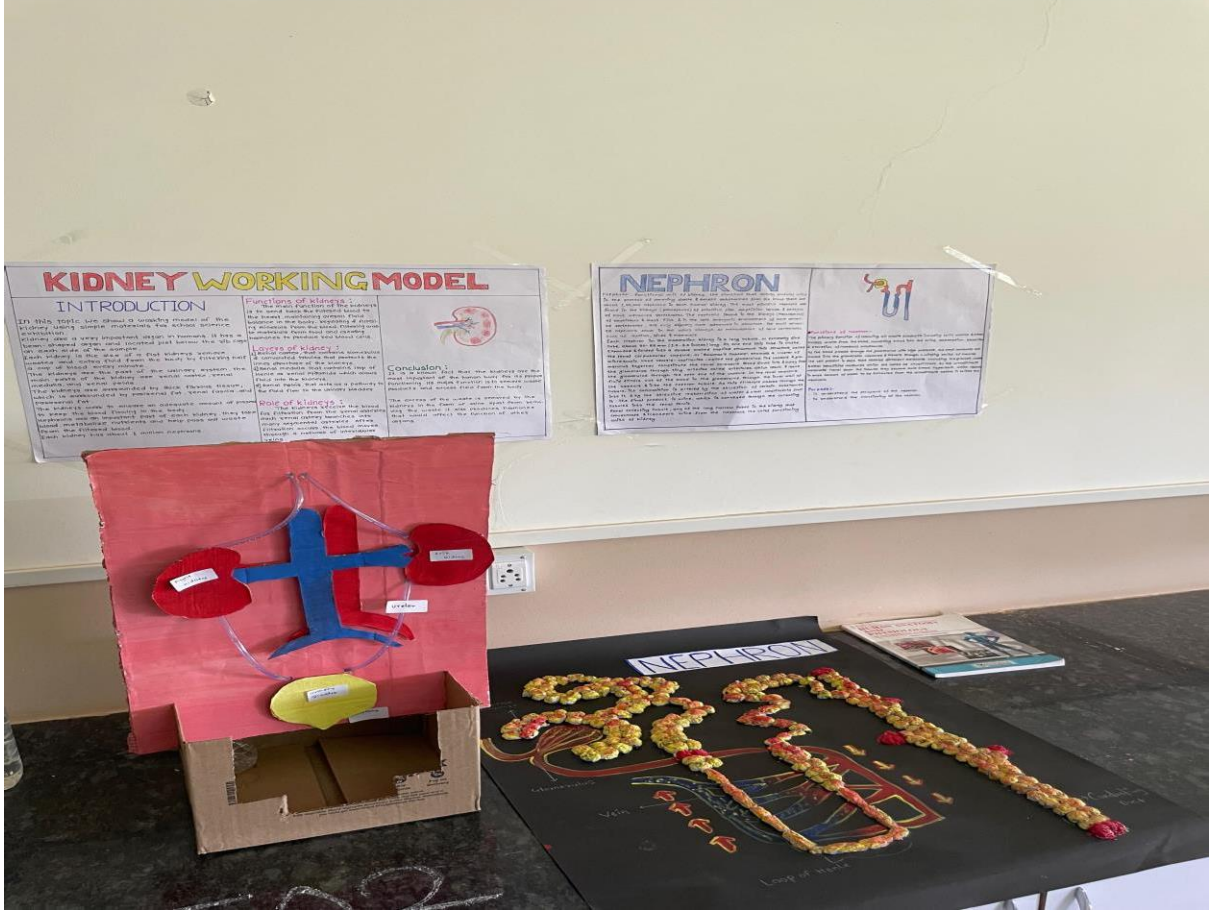

The event was skillfully anchored by Ms. Meehika Chavan and Ms. Manasvi Sankhe, students of TYBP. Their engaging commentary and stage presence added a lively atmosphere to the proceedings, enhancing the overall experience for everyone involved.

The National Science Day celebration at Yashwantrao Bhonsale College of Pharmacy was a resounding success, fostering a love for science and learning among students. The combination of a science exhibition and quiz competitions provided a comprehensive platform for students to showcase their talents and deepen their understanding of scientific concepts. The active participation and enjoyment of the students reflected the success of the event in igniting their curiosity and passion for science.
