

KALEIDOSCOPE

Heartiest congratulations to Mrs. Gayatri Athalekar, Assistant Professor, Dr. Gaurav Gopal Naik, Associate Professor, and M. Pharm (Pharmaceutical Chemistry) students for participating in a offline workshop on “Insilico Methods & Tools for Drug Discovery” organized by the Department of Pharmaceutical Chemistry, KLE College of Pharmacy, Belgaum on 23rd February 2024. In this workshop the delegates were given hands on training on the selection of appropriate Protein & identification apart from Target Site for Molecular Docking by employing Schrodinger software.

The preparation of the Ligand for Molecular Docking and assessment of possible Ligand-Receptor Interactions was also demonstrated. There was also explanation on the Network pharmacology. All the participated delegates received the certificates at the hands of chief guests.
