**“SEMINAR ON IMPORTANCE OF INTERNSHIP: ORGANIZED BY  
INTERNSHALA PROGRAM, AICTE, NEW DELHI”**

Training and Placement Cell of YBCOP, Sawantwadi had arranged seminar on Importance of Internship organized by INTERNSHALA: A Program conducted by AICTE for final year B.pharm students. Internshala is dedicating one week (20th-28th July) to conduct seminars in all the colleges across India on the occasion of Internship Day. This seminar aimed at educating students about the power of internships and how to get one. The seminar was conducted by our student representative Mr. Durgesh Bidye with approval and guidance of Principal Dr. V.A. Jagtap.

In this seminar final year students were benefitted by knowing about process & importance of Internship. Internship helps the students to improve soft skills, it give the opportunity to gain hands-on experience in a professional environment. Moreover, internships help to learn more about the career path and explore different career options to students.

The seminar was made successful by Training & Placement cell and was hosted by Ms. Shreya Kudupkar (Final Year B.pharm student) very nicely. We are glad Mr. Utkarsh Nagvekar, Mr. Tanmay Patwardhan & Mr. Sanket M. Gandhi (Training & Placement officers) for their wonderful arrangement & enthusiasm for conduction of seminar under INTERNSHALA activity proposed by AICTE. We are thankful to management, Principal & Other teaching-Non teaching staff for their kind support & Motivation.
