- ❖ **Type of Event** : Industrial Visit
- ❖ **Venue** : Tea Manufacturing Plant, Ooty
- ❖ **Date** : 7<sup>th</sup> March 2025
- ❖ **Coordinators** : Ms. Namita S. Bhosale & Mrs. Priya U. Yadav
- ❖ **Program Advisor** : Dr. V. A. Jagtap
- ❖ **Participants** : Final Year Students

## OBJECTIVES :

- To provide students with practical exposure to Herbal Drug Technology as part of their academic curriculum.
- To offer insights into the tea manufacturing process, including withering, crushing, cutting, shaping, fermentation, drying, cleaning, and grading.
- To help students understand the industrial applications of herbal drugs and natural product processing.
- To enhance students' knowledge of tea history, cultivation, and processing techniques.
- To inspire students to explore career and research opportunities in the herbal and pharmaceutical industries.

## About The Programme:

The Training & Placement Cell, in collaboration with PLAN B CLUB, successfully organized an industrial visit for final-year B. Pharm students to the Tea Manufacturing Plant in Ooty on Friday, 7<sup>th</sup> March , 2025.

As part of the Herbal Drug Technology course, this visit provided students with firsthand exposure to the tea production process, covering the history of tea, cultivation methods, and modern processing techniques. During a guided factory tour, industry experts elaborated on the various stages of tea manufacturing, from raw leaf processing to packaging, emphasizing quality control and efficiency in production.

The interactive nature of the visit fostered student engagement, enabling them to gain valuable industry insights while enhancing their practical understanding of herbal drug processing. The visit served as an inspiring experience, motivating students to pursue further learning and career opportunities in the herbal pharmaceutical and allied industries.

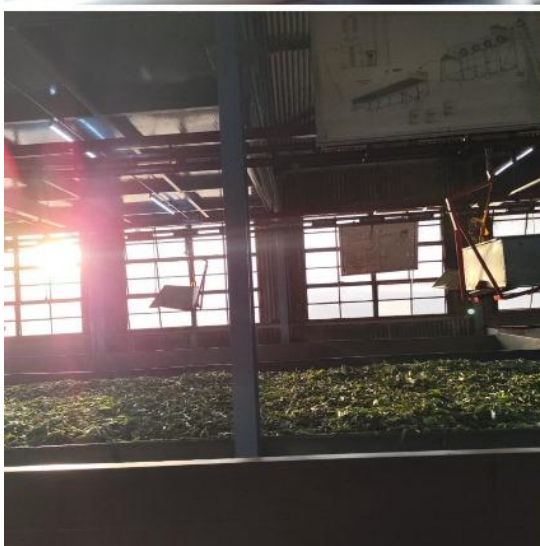

This successful visit was coordinated by Ms. Namita Bhosale, Head of the Training & Placement Cell, who played a key role in organizing and facilitating the program. Additionally, the visit was supervised and coordinated by Mr. T. G. Rukari Sir, ensuring smooth execution and an enriching experience for the students.
