⚡ Introduction:

Field trips allow students to interact with what they are learning. The experience goes beyond reading a concept in a textbook as students are able to participate in it physically. The purpose of field visit is to reinforce experiential and contextual learning. Field visits are a way of enhancing classroom learning by making real world connections. Field visits expose students to different lifestyles, places and areas.

⚡ Objective:

- 1) To learn about Medicine Storage, Usage, Administrations, different medicine forms.
- 2) To learn about measuring devices, their operations, medicinal tools, etc.
- 3) To learn about Billing Process.

- **About the program:**

Yashwantrao Bhonsale College of D. Pharmacy was arranged a field visit " Sai Medical Store and Annapurna Wholesale Pharmacy Sawantwadi" held on 4th December 2024 at 03:30 PM. 28 Students along with a faculty member had visited the plant. The visit coordinated by Mrs. Sneha A. Madgaonkar and Mrs. Advika Arolkar under the guidance of Mr. Satyajit P. Sathe, Principal Yashwantrao Bhonsale college of D. Pharmacy, Sawantwadi. We boarded the college bus to reach to Sai Medical Store and Annapurna Wholesale Pharmacy Sawantwadi. We reached the around 03.45 PM. The visit started after taking attendance of students.

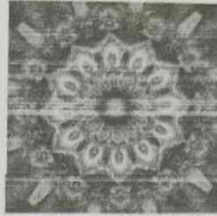

At reception, we were welcomed by the team members of Sai Medical Store and Annapurna Wholesale Pharmacy Sawantwadi.
