### **Introduction:**

The newsletter acts as a window through which the entire profile of academic and co-curricular activities, accomplishments, and progress made over the specified period can be observed. We at Yashwantrao Bhonsale College of Pharmacy are devoted to providing an environment that fosters innovation, creativity, and excellence among our students. We strive to equip young pharmacists to tackle the difficulties of increased competitiveness by providing high-quality technical and industrial education, as well as suitable training and extensive exposure to cutting-edge methods. **Yashwantrao Bhonsale College of Pharmacy** has released the 13<sup>th</sup> issue of their newsletter '**Pharmaphile**'.

Pharmaphile is the newsletter that gives briefs about the academic success of YBCP, cultural events held in YBCP, various academic events in which YBCP has participated, etc. Our educational programs emphasize all-round personality development and also inculcate human values and professional ethics which help our students become more humane and socially alive to lead meaningful life.
