Objectives :

- **Raise Awareness:** The students aimed to increase public knowledge about funding sources for distance education.
- **Share Information:** Provide the community with details on available scholarships, grants, and financial aid.
- **Promote Accessibility:** Help make distance education more accessible for those concerned about the cost.
- **Encourage Participation** Motivate individuals to consider enrolling in distance education by alleviating financial concerns.
- **Foster Community Engagement:** Engage the local public and encourage a culture of learning and education through funding resources.

About the Activity :

This activity, organized by students, took place near the Sawantwadi Bus Stand. It aimed to inform the local community about funding sources for distance education. Through presentations, the distribution of informational pamphlets, and casual interactions, the students provided valuable insights on scholarships, grants, and financial assistance programs available for distance learning. The event encouraged community members to explore educational opportunities by breaking down financial barriers and promoting the accessibility of distance education options. The students' initiative successfully contributed to raising awareness and motivating more individuals to consider further education.
