About the Program

The Rotary Club of Sawantwadi successfully organized a Blood Donation Camp on 18th August 2023 at Cottage Hospital, Sawantwadi. This noble initiative aimed to support the critical demand for blood in the local healthcare system and encourage community participation in life-saving activities.

The event witnessed enthusiastic participation from various organizations and individuals. Notably, the NSS volunteers of Yashwantrao Bhonsale College of Pharmacy, Sawantwadi actively contributed to this humanitarian cause. Several volunteers from the college came forward to donate blood, showcasing their commitment to societal welfare and their understanding of the importance of blood donation.

The camp began at 9:00 AM and continued until 3:00 PM under the supervision of medical professionals. Volunteers were guided through the process, including preliminary health checks and counseling about the benefits of donating blood. The event was conducted smoothly, ensuring donor safety and adherence to hygiene protocols.

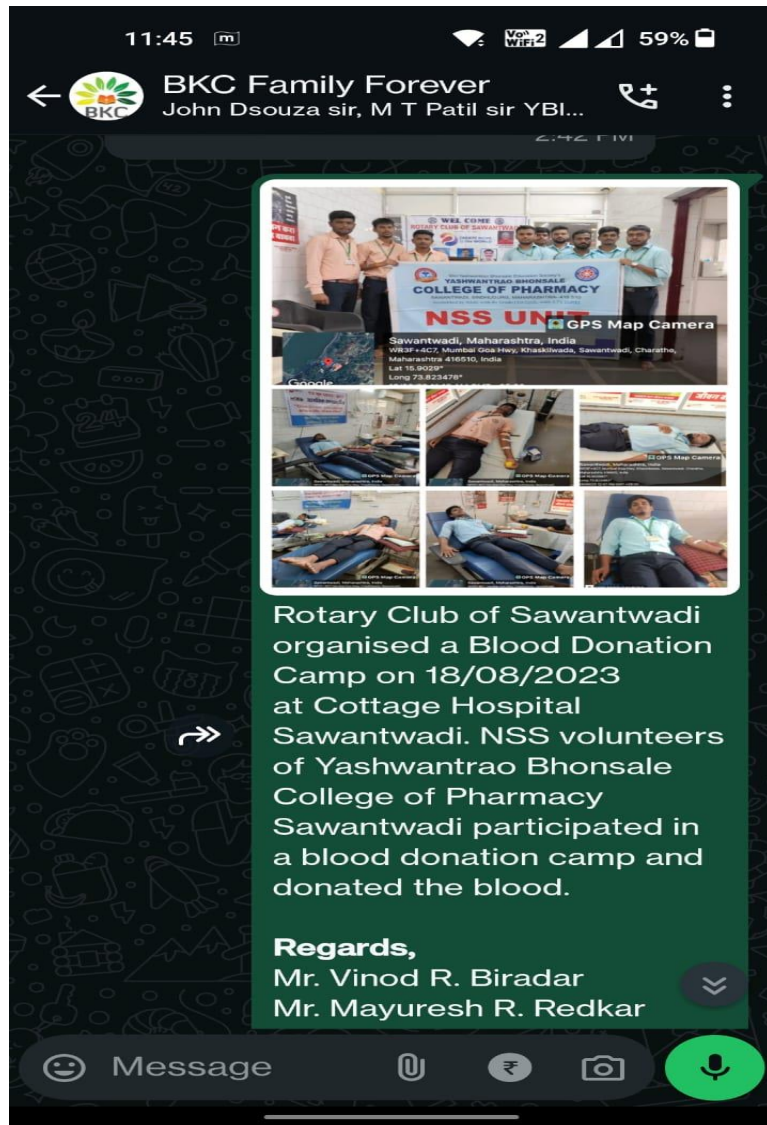

The collaboration between the Rotary Club of Sawantwadi, Cottage Hospital, and the NSS unit of Yashwantrao Bhonsale College of Pharmacy was highly appreciated. The camp collected a significant amount of blood, which will be used to aid patients in need, including accident victims, surgery patients, and those suffering from chronic illnesses.

This initiative not only highlighted the importance of blood donation but also fostered a sense of responsibility among the participants. It set an example of how youth engagement in such activities can positively impact society.

The event concluded with a vote of thanks to all donors, volunteers, and organizers who contributed to the camp's success. The NSS unit of Yashwantrao Bhonsale College of Pharmacy pledged to continue its efforts in organizing and participating in similar social welfare activities in the future.
