Objectives of the event:

1. To create awareness about the importance of voting in a democracy.
2. To educate students about their rights and responsibilities as voters.
3. To encourage first-time voters to register and participate in elections.
4. To instill a sense of responsibility towards nation-building through voting.
5. To emphasize the role of informed and ethical voting practices.

About the Program:

The NSS Cell of Yashwantrao Bhonsale College of Pharmacy, Sawantwadi, successfully organized the National Voter's Day celebration on 25th January 2025 at the college seminar hall. The primary objective of the event was to raise awareness about the significance of voting and to encourage students to actively participate in the democratic process by exercising their voting rights responsibly.

The program commenced with address by Mr. Jatin Tekawade, Asst Professor who highlighted the importance of voting in a democratic country like India. He emphasized how every single vote contributes to the nation's governance and development.

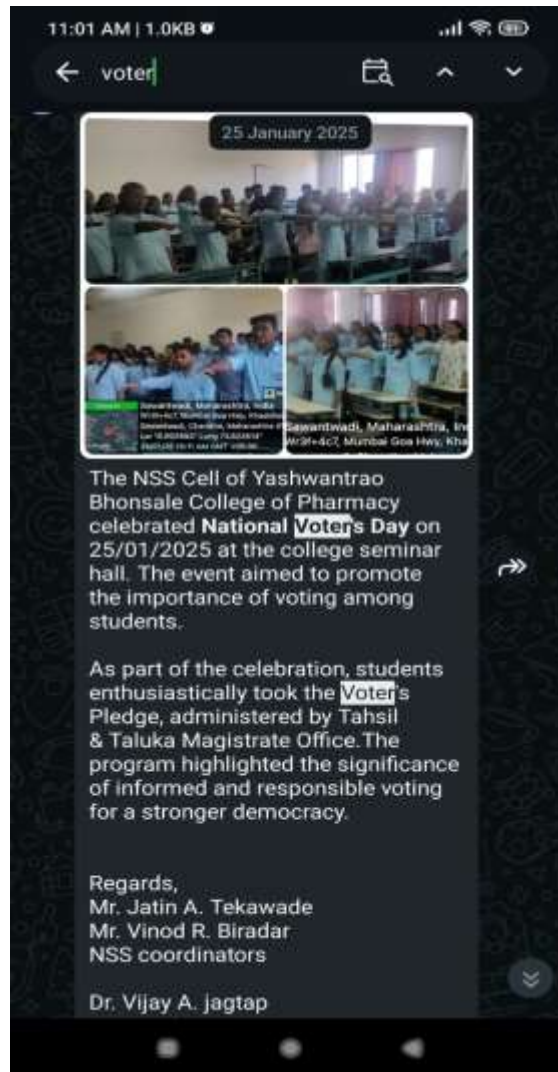

As part of the celebration, students and faculty members enthusiastically took the Voter's Pledge, administered by an official from the Tahsildar & Taluka Magistrate. The pledge reaffirmed the commitment of the attendees to uphold democratic values, participate in elections, and encourage others to do the same.

The event successfully increased awareness among students about their electoral rights and responsibilities, ensuring they understand the significance of their participation in the democratic process. It motivated first-time voters to register and actively engage in the upcoming elections, fostering a sense of duty towards nation-building. Additionally, the event reinforced the importance of ethical and responsible voting, emphasizing its role in the country's progress. By encouraging active involvement in civic duties, it strengthened the role of youth in democracy, empowering them to contribute meaningfully to the electoral process.

Glimpses of the Event:
